Forecast for Thursday 18 May 2023

Weather: Cloudy, damp start then mostly dry in the morning with bright spells, best over the Trossachs. Patchy light rain edging into Lochaber, Mull and Glencoe, extending east to most ranges later in afternoon. Dry, brighter weather following from west in the evening.

Chance of cloud-free hill tops above 800m: 30% in west of area, 60% in east.

Low Cloud and visibility: Generally good visibility with occasional cloud cover about 700m. The main cloud canopy will be above the summits. Becoming misty in west of area with patches of poor visibility in rain and drizzle. Also clouds lower down the hills. These conditions will extend eastwards later in afternoon.
